Welcome Message from the Conference Chairs

Welcome to the 7th IEEE International Conference on Optimization and Applications (ICOA2021), which is held at OSTFALIA University of Applied Sciences, Wolfenbüttel, Germany on May 19 – 20, 2021,. The conference is organized by OSTFALIA University of Applied Sciences, Wolfenbüttel, Germany and Sultan Moulay Slimane University, Beni Mellal, Morocco. The ICOA2021 is Technically Supported by the International IEEE Advancing Technology of Humanity. ICOA2021 is a forum for depicting excellent results and new challenges on the optimization and its theoretical and applicative aspects. It brings together industrial and academic experts who are proficient in various engineering, design and research fields. This conference will provide an exceptional opportunity for the academic and industrial communities to address new challenges, share solutions and discuss future research guidance in this thematic. ICOA2021 received submissions from many countries. Many people have collaborated and worked hard to produce a successful ICOA2021 conference. Thus, we would like to thank all the authors for their interest to this conference, the scientific committee members, who carried out the most difficult work by carefully evaluating the submitted papers. Thanks to Publicity, Organizing and all Committees members for their assistance in making this conference a success. Our special thanks to our distinguished Keynote Speakers who have agreed to address the conference attendees. We are also grateful to all our partners and sponsors for their help and support of our conference. Welcome to Wolfenbüttel, Germany and we hope that you will enjoy the conference program.
